- Call your healthcare provider or Health Link at 811 or get medical care if
  - have COVID-19 symptoms
  - have had recent travel
  - have had contact with someone with COVID-19

- Isolate yourself

(Alternatives)

- Call your healthcare provider

MyHealth.Alberta.ca
If you have any symptoms of COVID-19 (or if you think you may have been exposed to it), please visit www.alberta.ca/isolation.aspx or call 811.

You should seek urgent care or an urgent care centre if you or anyone in your household has symptoms of COVID-19.

If symptoms persist, contact Health Link at 811.

Please note: If you are experiencing symptoms of COVID-19 and have been in close contact with someone who has tested positive, please self-isolate immediately and contact your public health unit.

If you think you may have been exposed to COVID-19, please self-isolate for 14 days and contact your public health unit.

If you develop symptoms, please call 811 or visit www.alberta.ca/isolation.aspx.

After leaving the Emergency Department or Urgent Care Centre, please follow these instructions:
 Cristiano Ronaldo is a professional footballer who plays as a forward for English club Manchester United and the Portugal national team. He is considered one of the best players in the world and has won numerous awards and accolades throughout his career.
