 Coronavirus Disease (COVID-19)

Care instructions

Overview

COVID-19 negligence leads to serious consequences in all directions. It is essential to follow the necessary precautions to prevent the spread of the disease. The following are some key precautions:

- Wear a mask
- Wash your hands
- Cover your mouth
- Use hand sanitizer
- Keep a safe distance
- Stay home when sick

For more information, visit: [ahs.ca/results] or call [ahs.ca/results].

Health care providers offer assistance:

- Find a doctor
- Call 811
- Visit a clinic
- Get vaccinated
