

Forward-Facing Safety Seats

22 pounds (10 kilograms) to at least 40 pounds (18 kilograms)

When your child is one year of age **and** weighs at least 22 pounds (10 kilograms), **and** can walk, your child should use a forward-facing seat. Keep your child in this seat until at least 40 pounds (18 kilograms). **It is the law in Alberta.**

Read your vehicle and safety seat instructions.
